Property description

The apartment is sold, the ad is for marketing purposes only.

A unique offer in Eurovea - direct view of the Danube, whole apartment on one level, 2-room apartment with a nice loggia, fully furnished, air-conditioned, in the 13-year-old Eurovea, in the city center on Pribinová street, south-facing apartment, with a large practical cellar and parking in the garage.

Based on an exclusive contract with the owner, we offer for sale a furnished apartment suitable for own living or for use as an investment in a rental apartment. **This is a wonderful combination of living at riverfront, in city center with convenient living and parking, and shops and services available from morning to night every day.**

The area of the apartment (without loggia and cellar) is 55.57 m², the area of the cellar is 9.07 m² (the size of the cellar is indicated in the area of the apartment on the title deed), the area of the loggia is 5.78 m².

The cellar is located directly behind the parking lot on the -3rd floor of the garage, it is included in the price of the apartment. The parking space cannot be sold separately, it would make it impossible to use the cellar. See the layout of the parking lot and cellar. **The price of the parking space is separate from the price of the apartment, it is for sale for 50,000 Euros and must be purchased together with the apartment.**

The price of an apartment with a cellar and a garage includes commission and real estate services.

The furnishing of the apartment is included in the price of the apartment, and if there is no interest in the furnished apartment, the price of the apartment will not be reduced. The owners will take the paintings away.

As for rent, such an apartment can be rented for 1450 Euros including energy - energy is about 250 Euros.

The apartment will be released according to the agreement, within 3 months from the purchase.
