## Property description

**Apartment suitable for short and medium-term rental Airbnb / Booking / Flatio or for permanent living without permanent residence - older brick new building PEGAS (2009), area 60m<sup>2</sup>, loggia 8m<sup>2</sup>, parking in the garage - location Vyšehradská, in Petržalka near the highway, public transport right next to the house. From the garage to the apartment with dry feet, barrier-free entrance to the house and apartment, 2 elevators, camera system.**

### Dispositions:

- current condition
- variant A - with equipment according to **visualizations**, which are in the photos and in the video - the so-called virtual staging - installation of real photos of the apartment
- variant B - with the possibility of creating a **3-room variant of the apartment with 2 separate bedrooms**/ rooms - for a young family or single parents

**The apartment is listed on the title deed as Non-residential space** due to its location in the city and garage parking for the apartment, it is very suitable for short-term (Airbnb / Booking) and medium-term (1-6 months via Flatio) accommodation - since with this type of stay the guest does not request to place the stay at this address and at the same time, thanks to parking in the garage, he does not have to deal with problems with parking and the city's parking policy.
