Property description

We exclusively offer for sale a building plot in the part of Horné Židiny, cadastral territory Vinohrady with an area of 849,5 m², built-up coefficient (ÚPI- Territorial planning information) 40% - 290 m². The land is in the residential development area (101, 102), the construction of family houses is already underway in the locality.

The land is intended for the construction of a detached family house with three above-ground floors and one lower floor or attic, or as three separate apartments with terraces, garages, a garden and a swimming pool.

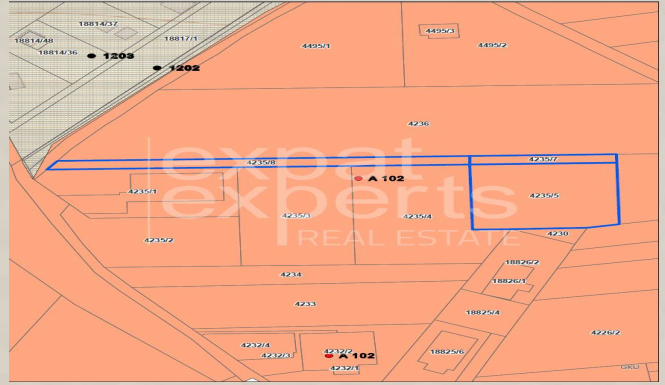

Water from a well (not drilled), electricity on the neighboring land or in the immediate vicinity, plot width approx. 29 m. The access road (80 m) is jointly owned. Current ÚPI- Territorial planning information is available in real estate agency. The land is available by purchase, without encumbrance.

We are looking forward to see you at the viewing!
